

Neighborhood Meeting Proposed Zoning Amendment February 2, 2017 5 –6:30 pm

The City of Redmond is hosting the first of two neighborhood meetings to seek input on potential amendments to the Comprehensive Plan and Zoning Code for the Proctor property.

Please join us for the first meeting on **Thursday, 2/2**. Learn about the proposal, share your thoughts —and meet the Applicant and City staff.

The proposal is a request to change the zoning to allow for standalone residential development and small-scale commercial services on the 15-acre Proctor property. The change is requested by the property owner and Quadrant Corporation.

The property is currently zoned “Business Park.” This zoning allows for multifamily homes in mixed-use buildings with nonresidential uses on the ground floor, though not solely residential buildings.
